

Coast Acoustics is the Gold Coast Acoustics Music Club based at Nerang. The club offers an open microphone plus guest artists every 3<sup>rd</sup> Sunday of the month at Nerang All Sports to promote local musicians and provide opportunities for aspiring musicians to meet others with a similar interest.

Coast acoustics is unique in that it is one of the few clubs where anyone can have the chance to play in front of a welcoming and supportive audience, no matter what age or level of experience.

Coast Acoustics regularly provides entertainment to support community activities and has hosted dozens of events bringing performers to the Gold Coast from around Queensland, interstate and overseas.

Last year's Coast Acoustics festival ran workshops on guitar, banjo, fiddle, mandolin, singing and song writing, plus presented many musicians with a broad range of acoustic music styles from blues to bluegrass, folk and roots

The 2010 Acoustic Music Festival on 19 September at Glennon Park Nerang promises to be even better.

Coast Acoustics is a non-profit organisation supported by sponsors and grant funding. Our aim is to promote local artists and provide opportunities for aspiring musicians and singers. We are strong supporters of building social networks and community cohesion through music.
